Please cut off this panel and send completed forms to:

**Harmonie State Park attn: Amelia
3451 HSP Rd.**

New Harmony, IN 47631

**Or call the nature Center to give info: (812)
682-3658 You can sign the above portion when
you bring your child to camp.**

If you like to be outside, aren't afraid of creepy-crawlies, and are looking for an adventure this summer, please share this with your parents or guardians and make plans to join us. Please fill out the registration form in this brochure and return to the address listed as soon as possible or have your parents call us today!

A FEW THINGS TO CONSIDER:

- There will be two Harmonie State Park employees with the students as well as 2-3 volunteers.
- Wear old clothes!
- There is abundant poison ivy, but we will do our best to avoid it
- **There are ticks and chiggers**, but we will have insect repellent available and do periodic tick checks
- We will mostly stay in shaded areas, but will have sun block available and will talk about the importance of using sun block to protect our skin
- We will provide drinking water so bring a refillable bottle to carry
- We will have coolers available for lunches, drinks, and snacks
- Each day you will need to be dropped off at the Nature Center, located in the campground. Please allow 10 minutes to drive back there.. You will be picked up at the swimming pool and signed out by camp staff at the end of each day.

*****If you are able to join us, we will contact you and send you a list of what to bring for camp. Camp is limited to 25 students and registrations will be processed on a first come, first serve basis. Don't delay—send your form or call today!***

***Wild About Nature
Adventure Day Camp***

**One session
June 1-3, 2015**

**This camp is for children entering 6, 7, or 8th grade in the
Fall of 2015**

Back this year sponsored by the Friends of Harmonie State Park , Harmonie State Park is having a 3-day day camp for children **entering 6th, 7th, and 8th grades in the fall**. If you are wild about nature and want some hands-on fun, this might be just what you are looking for! We will sweat, hike, build, shovel and play as we learn about the basics of wildlife

conservation and preservation.

After each day of camp, you will then be allowed to spend two hours at the swimming pool and will be picked up there at the end of each day. Note there is only one session this year and it is for 3 days!

(Admission to the pool will be included in the camp, but purchases at the concession stand are on your own—pizza, hot dogs, tacos, pretzels, ice cream, chips, sodas, and candy are all available, so you might want to bring a little pocket money!)

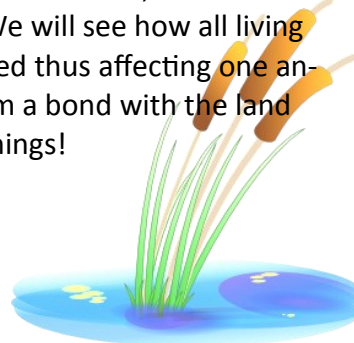

Camp Schedule

We will focus on native wildlife and the incredible success stories of the Eastern Bluebird. We will participate in monitoring the bluebird trail already in place at Harmonie. You will get to build your own bluebird box to take home and monitor in your own backyard. We will also seek out the quiet Monarch butterfly and dive into its amazing metamorphosis and work in the Monarch Waystation. We will participate in the Lost Ladybug Project throughout camp, seeking out and recording each species we discover.

Campers will take a look at native honeybees; their decline and their future with a guest bee-keeper.

We will explore the secrets of nature. We'll hike a trail and search for signs of wildlife that prove their existence. We will learn about bat monitoring at Harmonie State Park and do a service project of removing invasive Phragmites from Big Harmonie Pond. We will focus on how sneaky nature can be ,both beneficial and detrimental. We will see how all living things are connected thus affecting one another. We will form a bond with the land while trying new things!

Harmonie State Park Interpretive Services Youth Health and Family Information Permission Form

Please indicate any special health problems below. PLEASE LIST A DAYTIME TELEPHONE NUMBER SO WE CAN REACH YOU IF NECESSARY! If you have more than one child attending, please include information for each child. Feel free to copy!
